FROM
ST JOHN'S EALING

Sunday 28th January 2024

Dear friends

Please see below for the latest church family and parish community news:

Gary Fenton

Yesterday our church friends and family along with the wider community gathered together to celebrate the life of our caretaker Gary Fenton. If you missed the service and would like to watch it online you can still do so

here https://www.youtube.com/watch?v=YvofluJ_Ls or via the church website <https://stjohnsealing.org.uk/media/>. A few people had also asked if I could share the donation link for Brain Tumour Research which can be found here <http://garyfenton.muchloved.com>

Please see the below message from Gary's sister Julie Fenton:

"Thank you so much to all of you who attended Gary's memorial service yesterday. Such a wonderful celebration of a very special man. It was such a joy to meet so many of you. Thank you to all of you who took part or helped on the day. The cards to write a tribute to Gary are still available in the church lounge if you didn't get a chance on the day or weren't able to be there in person. St John's is in my heart and I plan to visit for a service again soon.

Love Julie"
