Belong & Participate

Join our VP (Visual Presentation) Team

We'd love to grow our **VP Team**, a friendly and supportive part of our church's Tech ministry team that helps make our Sunday services run smoothly. Confidence with computers helps, but **no experience is needed** — as training will be provided

Key Responsibilities:

- **Displaying lyrics and readings:** Projecting song lyrics, Bible verses and liturgy so everyone can join in.
- **Announcements and videos:** Sharing church updates, videos
- **Sermon support:** Displaying slides, or visuals that support the preacher.
- **Technical operation:** Running presentation software and occasionally editing or troubleshooting slides.

The commitment is just **once a month**, and it's a great way to serve, connect, and be part of our church family. Confidence with computers helps, but **no experience is needed** — as training will be provided. If you're interested in learning more or getting involved, please contact Sam or Angelo via the Church office office@stjohnsealing.org.uk
